

Spatial EDA

Exploratory Data Analysis

EDA Overview

Data Decomposition: Time Series

Data Decomposition: Spatial Data

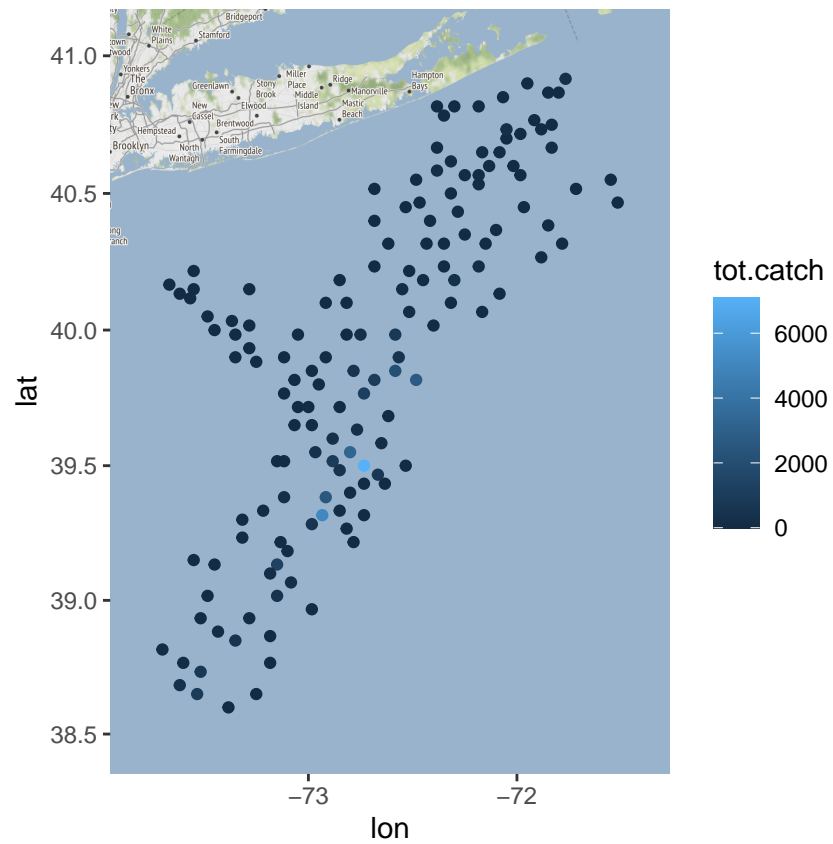

Response Surface vs. Spatial Surface

Spatial EDA Overview

1. Map of locations
2. Histogram or other distributional figure
3. 3D scatterplot
4. General Regression EDA
5. Variograms and variogram clouds
6. Anisotropic diagnostics

Scallops Data Example

1. Map of Locations

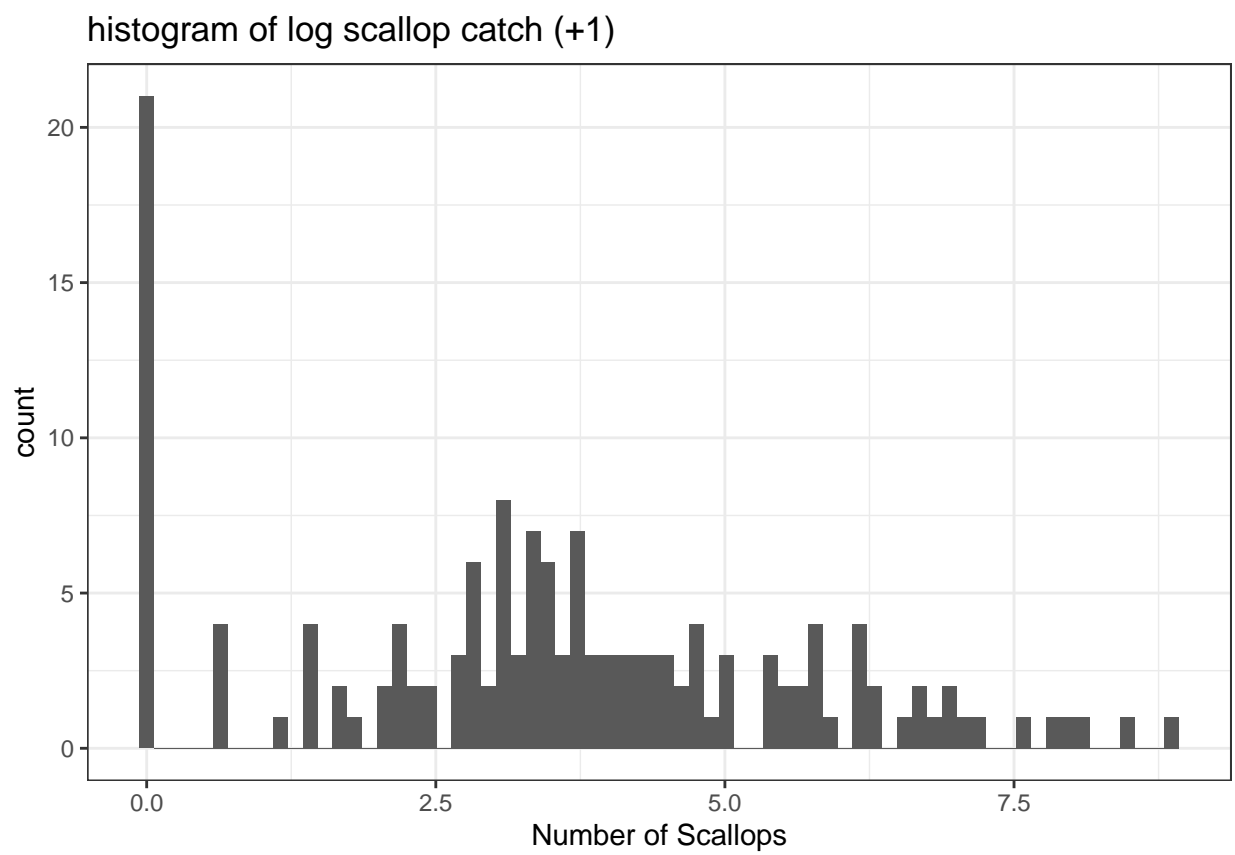

1. Map of Locations - Takeaways

2. Histogram

histogram of scallop catch

2. Histogram - Takeaways

3. 3D scatterplot

3. 3D scatterplot - Takeaways

4. General Regression EDA

5. Variograms and variogram clouds

```
## Warning in showSRID(uprojargs, format = "PROJ", multiline = "NO", prefer_proj
## = prefer_proj): Discarded datum Unknown based on WGS84 ellipsoid in Proj4
## definition
```

5. Variograms and variogram clouds: Takeaways

6. Anisotropy

Goal: Determine if direction influences spatial structure

Directional Variogram
